

Unleash the bold spirit of Jim Beam® Devil's Cut®, a premium bourbon with depth and complexity that comes from liquid extracted from inside the barrel wood.

HEAVEN CAN'T WAIT.

All great bourbons have a magic to them, an element of mystery. As bourbon ages and matures, a portion is lost from the barrel due to evaporation. Many believe it's angels claiming their dues. That's why we call it the "Angel's Share" —gone forever.
